

VICTORIAN OPERA

Victorian Opera Youth Ambassadors 2027

Victorian Opera's Youth Ambassador Program offers Metropolitan and Regional secondary school students in Year 11 the opportunity to represent Victorian Opera in their school and social communities, and to support the company in its engagement with young audiences.

As part of the program, all Ambassadors receive a free ticket for themselves and a guest to the performances listed below. For regional students who are unable to attend in person, they will be given a digital subscription to view online*

Ambassadors and their guests will participate in a pre-show education session with Victorian Opera staff and creatives, exploring the key features and context of the work. The session will also include a Q&A with members of the creative team, providing an opportunity to gain further insight into the production. Ambassadors and their guests will also share a meal before heading into the theatre to experience the performance.

Regional students can also participate in this program remotely with a digital subscription to view works and will have access to all education sessions via a Zoom conference call.

This program is offered free of charge to successful candidates due to the generosity of Professor Barbara van Ernst AM.
